Our main aim was to introduce a new and independent Swiss legal **Interest Group** for MG/V8 owners and enthusiasts of this very specific type of MGs in Switzerland. No profit orientated of any kind and no membership fee applicable, maintaining good relationship and constructive interface with Classic Car Clubs in Switzerland and abroad, e.g. with the very cooperative and friendly MGOC-UK, MGCC-UK, as well as with different associations of owners of British Classic Cars powered with V8-Engines. This just for fun, enjoying and sharing the same passion with friends and enthusiasts.

Our skills are mainly concentrated in organising our internal regular social MG/V8 events, providing exchange and support of technical information, maintaining reciprocal contacts with MG/V8 owners, friends and enthusiasts and car clubs not only in Switzerland but also abroad in the UK, rest of Europe and USA. Actual we count 196 **SWISS-MGV8/IG** registered fellow contacts. Our media-portal is our Webpage: www.swissmqv8.ch
