

OBITUARY

Heinz Müller
1955 – 2024

It is with great sadness that we would like to inform you that our good friend and great enthusiast of English Classic Cars has passed away Thursday, 12th December after a long illness bravely fought!

Heinz was always ready to help everyone who sought for technical advice and guidance in regards to their beloved MG`s, AH`s, Jag`s and more. He was a quiet, very knowledgeable, highly skilled and accomplished engineer.

Heinz always had a dry sense of humour and was a gentleman in every sense of the word. Together with his wife Edith he attended many Club events, not only in Switzerland but also all over Europe.

Heinz will be sorely missed by all who knew him and on behalf of the SWISS-MGV8/IG group of friends, we would like to offer our condolences to his wife Edith and closed family members.

In memory,

SWISS-MGV8/IG
